Local Entrepreneurs Help the Community

September 26, 2012 - Thrill of the Hunt, a subsidiary of The Piper Corporation successfully launched their first scavenger hunt for children called SpyRing – Your Passport to Education, on September 22, 2012 at Legion Keener Park, Latrobe PA. SpyRing, the brainchild of co-founder Heather Piper, is an educational card game that reinforces knowledge and learning as the SpyRing characters chase down the Derailers. Thrill

of Hunt takes the card game one step further. It combines the educational aspect of SpyRing with the fun and competitiveness of a scavenger hunt game.

Local children enjoyed a fun day of activities that allowed them to reinforce knowledge gained in the classroom in a fun and competitive environment. As part of the inaugural launch, Thrill of the Hunt donated all proceeds to Legion Keener Park to help rebuild Legion Keener's Playland that was destroyed by vandals earlier this year.

Thrill of the Hunt organizes unique themed scavenger hunts. Combining pop culture, books, movies, musical artists, etc. and creating a physical and mental challenging game... a scavenger hunt! Thrill of the Hunt is educational, interactive, and fun for all ages!

Thrill of the Hunt is always organizing new scavenger hunts. Additional details on
